

Call for Offers – Dairy Processing and Cheese Production Equipment_No R2D-SUPPLY-15/2026

The Austrian Development Agency (ADA) intends to conclude a supply contract for **Supply of Dairy Processing and Cheese Production Equipment** within the framework of the R2D Syunik Project in Armenia.

Companies interested in this opportunity are kindly invited to request the tender package by contacting the email address below. The tender documents include a detailed description of the tasks, required outputs, and submission instructions.

To receive the tender package, please contact:

Rima.Grigoryan@ada.gv.at

Upon receipt of the tender documents, interested bidders will be invited to submit their offer in English no later than **19 March 2026, 18:00 (local time, Armenia)**.

The offer shall include:

- 1. Technical Offer**
- 2. Financial Offer**
- 3. Proofs of eligibility, selection, and award criteria**

All requirements are described in detail in the tender documents.

Please note that this notice does not constitute a formal tender procedure but serves as an invitation to submit an offer within the framework of a direct award procedure. Submission of an offer does not give rise to any legal claim against ADA regarding the conclusion of a supply contract.

We look forward to your expression of interest.

Kind regards,

Austrian Development Agency
